

### Accessing Student Marks in Gradebook Through the MyEd Student Portal

This guide will help students/parents log into the MyEd Student Portal to view student progress in their courses. Note that MyEd Gradebook is optional for teachers to use to report student progress this year. While many teachers will be using MyEd Gradebook, some will have already informed you if they have chosen to use another form of gradebook or other means of regularly reporting student progress.

When viewing the gradebook in the student portal, you will find that your teacher may have chosen to display class marks as a percentage, proficiency on a Curricular Competency (the 4-point scale of extending, proficient, developing, and emerging), or a combination of both.

You may already be familiar with the MyEd Student Portal as it is where you look at student schedules and report cards.

If your password does not work, use the “Help, I forgot my password” or during school hours you can email [sumasmountain@abbyschools.ca](mailto:sumasmountain@abbyschools.ca) or call the office at 604-850-5207.
